Hilton has announced the opening of its newest property in London, Hampton by Hilton London Docklands.

The 209 room Hampton by Hilton is managed by Redefine|BDL Hotels (RBH).

Hampton by Hilton London Docklands offers guests the popular free hot breakfast featuring delicious waffles or, for on-the-go travellers, On the Run Breakfast Bags are available. Additionally, its complimentary Wi-Fi, 24-hour business centre and JumpStart Fitness Centre are sure to set any guest on the right track.

Each guestroom includes a HDTV, Freeview channels and in-room tea and coffee making facilities.

Located one mile from London City Airport, Hampton by Hilton London Docklands offers multiple connections to countries across the world, with 40 different routes available.

The hotel is close to key event locations such as London ExCel Exhibition Centre and the famous o2 Arena.

London Docklands is currently undergoing a £17bn regeneration project as part of the Royal Docks development plan, which will see the area expand and improve to become London's third biggest business district.

“Hampton by Hilton London Docklands is ideal for business travellers and tourists alike, with plenty of the capital's famous attractions like the Cutty Sark and Emirates Cable Car in easy reach,” said Jean-Claude Scharinger, general manager. “Today marks the start of an exciting journey for me and the rest of the team at the hotel, and we look forward to welcoming our guests and giving them a fantastic, memorable experience.”

Andrew Robb, Chief Business Development Officer at RBH, said, “We're delighted to open the doors to Hampton by Hilton London Docklands, which is the second Hampton by Hilton hotel in our portfolio. “The brand is synonymous with great quality, and I'm confident that the hotel team will give guests a warm welcome from the moment the hotel opens its doors.”
