Local city and county officials along with representatives from the Bulverde/Spring Branch Economic Development Foundation and the Bulverde/Spring Branch Area Chamber of Commerce join in the celebration of this landmark hotel for the city of Bulverde.

The four-story, 84-room Hampton Inn by Hilton hotel will be managed by Presidian Hotels and is part of Hampton's fresh, new Forever Young design initiative, which features a modern guest space that is multi-functional, convenient and comfortable. Adjacent to the hotel is the Bulverde Visitors & Event Center, containing 5,300 square feet of meeting, office and prefunction space. An estimated 30 employees will work at the Hampton Inn Bulverde location.

Located less than 13 miles north of Loop 1604 at the intersection of US Highway 281 and State Highway 46, Hampton Inn by Hilton Bulverde will be well-positioned to meet the growing need for premium hotel and meeting space accommodations in the greater Bulverde/Spring Branch area. "Our vision was to design a premium hotel that maximizes the property's extraordinary positioning at the confluence of two major central-Texas thoroughfares at the most visible site in the beautiful Singing Hills master planned development. We could not be more excited to have the Bulverde Visitors & Event Center co-locating with us to create a place where the community and visitors can meet, stay and celebrate in the beautiful hill-country of Bulverde," said Charles Leddy.

The opening of Hampton Inn by Hilton Bulverde marks a significant growth milestone for the City of Bulverde. "We are thrilled to be working with Presidian Hotels and Hilton on this exciting project. With the

growing demand in the area, Hampton Inn by Hilton Bulverde will be the perfect location for leisure and business travelers alike. The city will benefit from additional tax and event revenue, and the hotel will add value to the visitors and new businesses moving to this area," said Sherry Mosier, President of the Bulverde/Spring Branch Economic Development Foundation.

"This new hotel is a major boost to Bulverde's economic development efforts and supports our commitment to the GVTC GigaRegion® partnership and the Bulverde/Spring Branch Economic Development Foundation, to create jobs and a higher quality of life for our community," said Danny Batts, Bulverde City Manager. "We feel the addition of a leading brand such as Hampton by Hilton creates important awareness that Bulverde is a smart place to operate a business."
